

### **AUTUMN MAIDENII SPRITZ \$15**

Console yourself about the oncoming cold weather with this deliciously zesty spritz. Light hearted Maidenii La Tonique is enriched with warming Quandong and pears. Topped with a dash of soda, for added effervescent charm.

### **MARRIED MARTINI \$21**

The classic Melbourne marriage: two people, gin and a big pinch of salty chat. Seb and Derv's Artemis gin joins with Maidenii dry vermouth, whilst a wild olive brine spices things up on the side.

### **A BROTHERS LOVE \$20**

Their parents would be proud: there's no bickering amongst these siblings. KIS O gin plays friendly with a light spritz of cask strength Lark whisky, and like a dessert promised for good behavior, Maidenii Classic comes in to sweeten the deal.

### **PEPPERBERRY FIZZ \$18**

A large serving of gin by the Melbourne Gin Company mixed with lemon and pepperberry syrup, a dash of egg white and topped with soda to give you a light refreshing drink.

### **JEZ & JACKIE SHRUB \$19**

Tart and fermented, like old Jez himself. Westwinds gin, pineapple and cinnamon shrub: little rough around the edges but with a heart of gold.

### **SALT BUSH BILLY TEA \$18**

After a long day in the saddle, you get some sticks, light a fire then boil a billy. Throw in some saltbush, tea and sugar. Spin it around your head, and add a big slug of Gun Alley whisky to help you curl into your swag and sleep under the stars

### **GREEN NUTS AND MUNTRIES \$18**

Green walnut liquor from KIS is made even more delectable with a native muntrie jam. Give it a kick with some St Agnes Brandy and you've got yourself an Aussie innovation to rival the Hills Hoist... well, we'd like to think so.

### **TRENT FROM PUNCHY \$18**

Simple like it's namesake: Northern Rivers Husk rum shaken with a tangy blood lime syrup to give you a spin on the classic Mauritian Ti-punch.

### **CAPTAIN OF THE SHIP \$19**

Who's the captain of the ship? Our take on a Dark & Stormy, made with our very own secret house spiced rum. Don't ask, don't tell, just enjoy. Tall, spicy, invigorating.

### **SNUGGLE POT AND CUDDLE PIE \$19**

Macadamia orgeat, Bundy small batch rum and a dash of Absinthe. Lengthened with fresh pineapple, we give you a drink that'll have you spinning more yarns than May Gibbs could poke a stick at.

### **WHATEVER IT TAKES \$18**

Starward Whisky, lemon juice, egg white, sugar and a dash of fig bitters

### **FITZ ROY \$20**

Maidenii Sweet Vermouth comes together with Starward Whisky and a dash of bitters to give you our version of a Rob Roy or Manhattan.

### **BALLSY \$19**

Beenleigh rum, vanilla/orange syrup and Mister Bitters cacao and macadamia square up their bold flavors in the one glass.  
A ballsy concoction if ever there was one.

**PADDOCK OLD FASHIONED \$20**

We don't care much for sour grapes here. But salted grapes, mushroom and thyme tincture plus starward whisky? It'll make your mates wish they'd given it a crack.

**COLD DRIP ESPRESSO \$18**

Tromba Tequila with Mr Black Cold Drip Coffee liqueur and a shot of Little Dripper cold drip coffee.

**GOLDEN FLIP \$18**

666 Butter Vodka with Tambourine Mountain Distillery wattle toffee liqueur, toffee and an egg. Shaken. Hard. Served with toasted black wattle seeds.

**EUREKA STOCKADE \$23**

Bakery Hill Whisky, Stone Pine Honey liqueur, orange sherbet with an added egg yolk: shaken until our arms fall off (we're not sure about the OH&S on that), then served straight up.

**ULTIMATE LEMON LIME AND BITTERS \$6**

Go on, have one. Nick Tesar the Queenslander has been perfecting this recipe since the long hot summer of 2004. Lemon sherbet, bitters, soda and garnished with a candied finger lime.
